SECTION 1:

Please provide a listing of all materials you are willing to **lend** to other conference churches. i.e. extra Sunday School materials, plays, skits, dramas, puppets, backdrops, children's music, props, Christmas program ideas etc.

We are hoping to list all these items on a virtual library including a contact person from your church. The materials can stay in your church, but when contacted, you can choose to lend these materials to those to ask you.
